What a long, strange trip it's been for the Class of 1995

"Here is the place where the road divides into two parts."

Vergil, *Aeneid*. Some of the class went to South Grafton Elementary, others went to North; some didn't attend elementary school in Grafton at all.

Missy Dauphinais and Sami Butke head down the road on the first day of fourth grade, September 1986.

And then it was on to the high school
**WHERE THE ROAD WAS
ROCKY**

The road is rocky senior year because

we are renovating . . . and renovating . . . and renovating

The class of 1995 was directed by traffic police Ann Rector, advisor; Julie Rahal, president; Missy Dauphinais, secretary; Tony Fiacco, treasurer; and James Bent, vice president. They made the rough places smoother.

G.H.S. Road Ends Here

During graduation on June 2 Honor Speaker Cory Nazarian spoke on the theme of "The Highway of Life." Since that is the theme of the 1995 Yearbook, we reprint it here.

"Good evening Superintendent Rowe, Principals LeMay and Lynch, teachers, family, friends and fellow members of the Class of 1995. Well, we finally made it! It doesn't seem possible that graduation is upon us with all of its potential for change. For all of us the high school years have been a time of rapid growth physically, emotionally, and intellectually. Only four short years ago we arrived at school on bicycles, but now we're leaving in cars. In a way the educators have provided us with the keys to start our metaphorical cars as we now drive ourselves away onto life's highway. There are so many different roads that lead away from this place today. Each of us will travel our own unique route. Each of us will discover new realities about our world and ourselves. Each of us will be bombarded by an abundance of signposts pointing out our choices. Most likely we're all in a hurry right now. If you go too fast and don't pay attention, you might miss the exit. And that wastes time. And time is too precious to waste. Watch for life's signs. Sometimes you might have to yield. Sometimes you might have to stop. Sometimes you might have to take a detour. Sometimes the road will be smooth and you might be tempted to coast. But remember, when you're coasting, you're going downhill. Other times the road might be bumpy. Two thousand years ago Seneca, a Roman philosopher, had already observed that "it is a rough road that leads to the heights of greatness." My hope for each and every one of you is that you're always tuned up and making good time. But remember that if you should run out of gas and end up in the breakdown lane, nobody remains there for long. Occasionally you may find your life is going in circles. You're stuck in the rotary!! But don't despair; it's not all bad; you do have the right of way. There is more to learn on life's highway than is possible to learn in one lifetime. Let your interests, hopes, and dreams be your roadmap. They will undoubtedly lead you to new intersections at which time you will get to choose again. And no matter what your choice, remember what the title character remarked to his apprentice in Carlos Castaneda's novel *The Teachings of Don Juan*: "Any path is a good path as long as it's a path with a heart." So make that path your own special path paved with compassion and understanding for fellow humans.

STARRY NIGHT

STARS for GHS stars

Soon after school started, a new recognition program called STARS appeared at GHS. The program is designed to promote excellence in all areas and to create a positive school climate. The program recognizes the achievement of ALL students who shoot for their personal best, work toward the good of the school, assist in the classroom, and make strides to achieve excellence in all that they do.

The components of the program are:

1. THE WALL OF FAME.

Walking into the newly renovated building, students will see the Wall of Fame, which displays the school leaders for the academic year, including class officers, leaders of various clubs, captains of athletic

teams, members of the school council, and NHS members. Honor roll members are also there, as well as special stars for those who make a positive contribution to the school in any given week. These students are nominated by teachers, community leaders, or other students. The all go into the STAR-GAZER, a permanent album which will be on display in the guidance office.

2. COMMENDATION

LETTERS are sent home to parents.

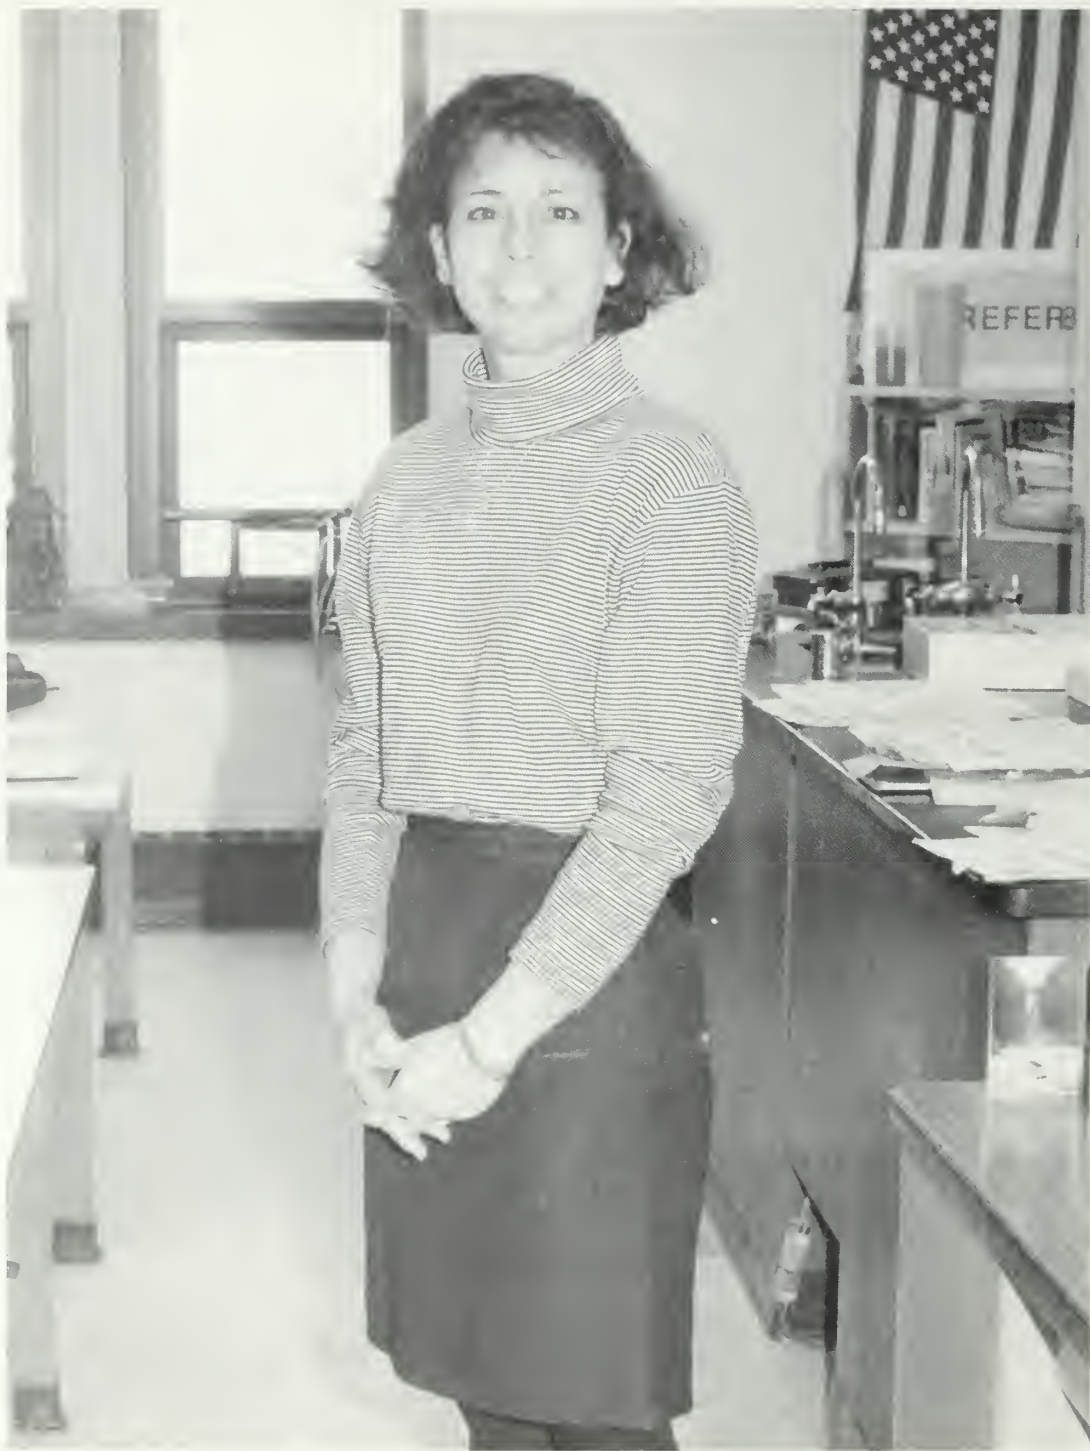

3. RECOGNITION CARDS

good for school store discounts are given to those on the honor roll.

4. A FEATHER IN THE CAP AND A CERTIFICATE to winners.

5. END-OF-THE-QUARTER RAFFLE

6. BIRTHDAY BALLOON for each teacher and student.

Dear Mrs. Rector,

In our four years at Grafton High School we have gone through many changes. These changes occurred in our dress, appearance, mannerisms, and attitudes as we paced our ever changing world. Through the thick and thin of adolescence you were always there for us, with a kind and understanding spirit, that made you so easy to talk to. Your enthusiasm inspired us to participate in the many activities and events that make high school so much fun. Most importantly, we are grateful for your care and devotion which led us to success, and makes us proud to say that we are members of the class of '95. We will always remember you as a very special part of our class.

Boys' and Girls' Tennis

Boys' Tennis Team Returns To District Finals

For the third consecutive year, the Grafton High School boys' tennis team capped off a successful season with an appearance in the District Tournament finals. Led by senior captains Jason Kaufman (1st singles), John Putnam and Cory Nazarian (1st doubles), the Indians stormed out to an impressive 11-0 record, before finishing 14-4. The team's effort brought the seniors their fourth straight SWCL championship and kept them undefeated against the league for their high school careers. The season included key victories over Shepherd Hill, Bartlett and Bromfield, and district wins over Gardner and Uxbridge. But, for the second season in a row, the Indians fell victim to the defending champion from Westboro. Filling out the lineup were B.J. Posterro (2nd singles), Dan Howard (3rd singles), Brian Kaufman and Scott MacDonald (2nd doubles). Other key contributors were senior Rick Woods, juniors Tony Tran, Keith Hubbard and Matt Eaton, sophomores Kevin Dickert and John Johansson, and freshmen Justin Contois and Ben Gauthier. The seniors would like to thank Mr. Garreau and wish the team good luck next year.

JUNIOR CLASS

The 94-95 year for the Junior class passed by quickly but ended well. With their new class advisor, Mr. Pignataro, the class members were involved in more activities and had an exciting year. For this year, the class chose a completely new student body. These members include: President Chris LaPointe, Vice President Mike Pizzimenti, Treasurer John Scott, Secretary Nina Vidal, and student council members include Heather Adams, Becky Rodger, Kate Riley, and Sara Berthiaume. This group and many volunteers have helped to work with Mr. Pignataro to bring forth ideas for the class. So far the Juniors, along with the Sophomores, have voted where the Senior/Junior Prom will be held, which is Mechanics Hall. Next year the Class of '96 hopes to accomplish various tasks and to contribute much to the newly renovated school!

CLASS OF 1997

The class of 1997's sophomore year was exhilarating and productive. We raised a large quantity of money for our class and enjoyed the lucrative sophomore semi-formal and carnation sale on Valentine's day. Due to the construction, we were unable to have a ring dance but instead spent a nostalgic evening at the Grafton Inn.

Who ever dreamed of the Grafton High Girls' Soccer team causing one of the greatest upsets in Central Massachusetts history and ending a team's 5-year district winning streak? Well, this dream became a reality on November 8, 1994 in the District Semifinals when we played in an emotional, hard fought 2-1 win over 3-time defending state champions/5-time defending district champions — Sutton High School. Although this was only one game, it represents what the girls have worked so hard for all season. With a final record of 16-2-1, Grafton completed their most successful season in the four years of the soccer program. Led by Coach Keary Naughton and senior tri-captains Sami Butke, Sabine Hart, and Katie Kirejczyk, the Indians made it as far as the district finals in a controversial 1-0 loss. Unfortunately, this loss would mean the end of the season. It also meant that the girls would have no chance to play in 2 more games for the opportunity of winning the state title, one which many had predicted Grafton would capture this year. Despite these few disappointments, this 1994 squad never gave up. Throughout the season, our close-knit team had many memorable moments, some of this will remain in our heads for a long time. ("Hi, I'm Jennifer Greany." "PBJ and Squish." "Count all the corners!") Congratulations and a terrific season, good luck to all the departing seniors and to next years squad — SQUASH SUTTON!

The 1994-95 Grafton High boys' soccer team completed the winningest and most exciting season in school history. Lead by tri-captains Jason Kaufman, Tony Fiacco and Jared Simpson, the Indians stormed their way to an impressive overall record of 11-5-4. After overcoming a slow start, the team ended the regular season on a 9-2-2 run, including two momentous victories over rival and eventual district champion, Prouty. Seniors Erik Dunster and Jason Kaufman initiated the Indian's offensive attack, while Tony Fiacco, Jared Simpson, Cory Nazarian and Chris Lapworth anchored an unyielding defense. Newcomer Steve Kozak also contributed valuable minutes at crucial moments. The Indians capped their historic season with a first round win in district competition with a thrilling 1-0 overtime win over Douglas. Alas, the magical year ended with a disheartening, rain-soaked 2-0 loss to defending District champion Bromfield. We would like to thank Coach Mike Flynn and all of the fans who have supported us throughout our four years. Good Luck to next year's team!!!

Grafton Field Hockey

Another year passes for the Grafton Indians with a bang

This year's field hockey team started off the year with a bang. All the girls, led by senior co-captains Jill English and Valery Fleming, prepared for another great season with one additional player — Jamie Decaire. Jamie, a senior, was the first male to play on the field hockey team at G.H.S. Jamie, along with returning seniors Kerri Casey, Tara Coleman, Kim Knapik, Jen Townsend, Michelle Douaire, Ju Han, Julie Girouard, Andrea L'Esperance, Ann Palermo and Holly Bourget, made this field hockey season a memorable one. Juniors that helped the team were Aida Hurley and Sara Berthiaume; and Sophomores Michelle John, Melissa Brady, Melissa Mancuso, and Jenny Cellucci.

The Lady (and male) Indians had a hard time organizing themselves at the beginning, but as the season progressed their skills and teamwork followed. J.V., mainly freshmen, learned about hard work of the new sport with the song "Low Rider" as a guide. Because 13 seniors are leaving, the team will show a strong effort by the girls next year. Good luck, ladies, and remember to never give up!

The 1994 football season was a good one because every day all players came to practice prepared to work hard. The coaches were skillful and were out there every day to make us better people as well as athletes.

Dan Dubois and Jay Erminelli had a good year on the ground. Sean Ormond had an excellent season, passing for six touchdowns. Sean's receivers were Chris Grindle, Jim Klocek, and Shawn Merrick. Sophomores Ryan Erminelli, Tim Glispn and Jon Rawson also played fine. Tony Rocco and Ricky Woods made important contributions. The offensive line, led by center Jared Ashley, guards Charlie Papazian and Dan Howard, and tackles Peter Gagne and Ernie Adams, did a laudable job.

When asked in an interview what he thought about the players, Coach James Pignataro replied, "They are very enjoyable to coach and every day they worked hard."

The senior captains Peter Gagne and Mark Scichilone had an exceptional season and were great leaders, Peter Gagne doing a fine job on the line and Mark leading the team with four sacks. I hope the team can do well next season and in the seasons to come.

GIRLS' CROSS COUNTRY — RUNNING AGAINST THE WIND

THE FAB FIVE: Erin Reardon, Kate Riley, Becky Rodger, Sara Clifford and Jen Croteau.

So we didn't have as successful a record as the girls' soccer team, or the boys' soccer team, or the field hockey team, or the football team, but we had fun and that's all that matters. Right? After a late start, Mr. Coleman managed to find five girls to run and therefore, save his program from disappearing due to lack of interest. With the exception of veteran runner Erin Reardon, no one knew what to expect. We soon found out that all you have to do is run and run and run until you reach the end. We didn't win any meets as a team, but Sara Clifford came in first several times and Becky Rodger often finished in the top five, with Jen Croteau not far behind. We concentrated on individual improvement every meet since with so few runners on the team we didn't have a chance at winning. Our efforts did not go unrewarded however! MacDonald's often served as our inspiration to cross the finish line. On occasion we would frequent the establishment after a tough race in order to replenish ourselves. Mr. Coleman's treat, of course! Even if we weren't as successful as other teams at Grafton High, we still had fun and worked more as a team than you would think. It was a season we'll never forget.

Sara Clifford: a star is born!

Mr. Coleman gives an invigorating pep-talk!

Keep it up Erin! The end is near!

The thought of MacDonald's puts a smile on our faces!

That strange man is here AGAIN!

Grafton makes a run for glory

GRAFTON'S FINEST

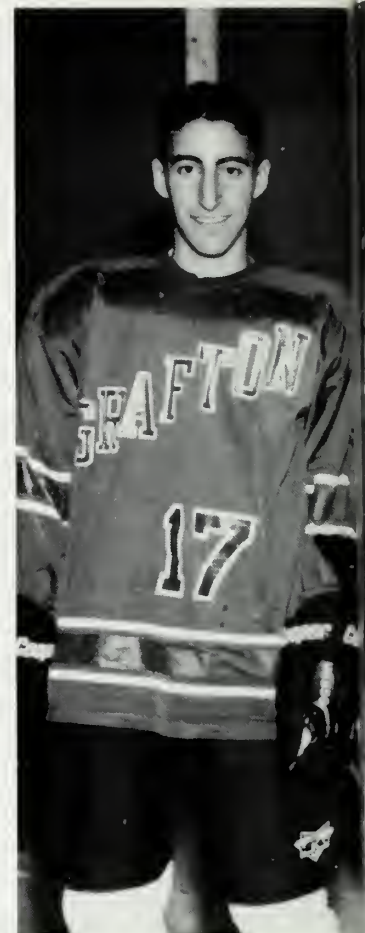

The 1994-1995 Grafton hockey team coached by Bob Benoit and Bob Lucas had a good season. The Indians improved last year's record when they were 6-9; this year they finished with a 9-8-1 mark.

The two captains for the hockey team were senior goalie Jamie DeCaire and junior forward John Scott. The Grafton defense was a strong one. Junior center Mike Pizzimenti had 23 goals and 20 assists to lead the team in points. Sophomore forward Josh Warren had 16 goals and 15 assists, and junior forward

John Scott had 11 goals and 21 assists. The defense was also a strong one, anchored by senior goalie Jamie DeCaire, who faced over 30 shots a game and had a .878 save percentage. The lead defense man for the team were Greg Meyer, Erik Gronberg and Mike Scott. Other team members includes seniors Jason Kaufman and Erik Dunster, juniors Will Goulet, Jeff Gould and Chris Mackin, sophomores Jody Vegnone and Mike Chenevert, and freshmen Brian Kaufman and Ben Gauthier.

Girls' Basketball

Some years are tougher than others

Though this year wasn't as good as last, underneath it all the season ended all right. The leaders of the team were once again Coach Mr. Nelson; and captains/seniors Katie Kirejczyk, Kelly Bazinet, Julie Rahal, and Sami Butke. The returning juniors were Kate Riley, Heather Adams, Mary Fantini, Nina Vidal, and Jenn Hanley; sophomores included Jen Mena, Katie Reardon, Tricia Brennan, Kathy Stodulski, and Jessica Mitchell. This year the girls' ended with a 6-14 record. But don't think the team gave up . . . every game they went out with a winning attitude, no matter what the outcome. The team worked hard under the direction of Mr. Nelson and hopes that next year the team is better and stronger. Remember "Good things come to those who wait!" and practice . . .

The Grafton Boys Basketball team finished a surprising 14-3 in the 1995 regular season turning around last year's disappointing 7-10 record. After the season Grafton competed in the Clark tournament making it to the semifinals. Because of their outstanding regular season record Grafton not only qualified for districts, they received a first round bye. In the second round Grafton defeated a tough Southbridge team to go on to the semifinals against Quabbin. The first half of the district game ended in a virtual tie but after halftime Quabbin pulled away ending Grafton's highly successful season. The team

consisted of senior's John Clements and Mark Scichilone, junior's Jim Klocek, Sean Ormond, Kurt Zelch, Matt Brophy, Chris Grindle, Nick Lapworth, Jared Ashley, Chris LaPointe, Jason Erminelli, Tony Tran, and sophomore Adam Ethier. The team showed it had left a lasting impression by having Jim Klocek and Matt Brophy named S.W.C.L. all-stars. Senior John Clements played in the S.W.C.L. senior all-star game. The team looks promising for next year as all five starters return but it will miss the leadership of graduating seniors John Clements and Mark Scichilone.

Senior co-captain Chris Lapworth participated in the triple jump, high jump, mile and 80, while co-captain Shawn Merrick competed in discus, long jump, 120 hurdles, and 330 hurdles. Other members were Jared Simpson, Tim Jordan, Mike Hardiman, and Mike McDonough. Tim Jordan has held the SWCL lead in the 100 yard dash and the 220 yard dash. Mike Hardiman has placed in the discus and shot regularly while Mike McDonough has been our 440 yard dash specialist this season. The remaining members of the track team include juniors B.J. The 1995 softball season was the season of new beginnings. It was the season to build a new team after the loss of 9 seniors. It was also a season with a new coach, Mindy Robinson. We had our high hopes of having a winning season but we ended with a losing one. Though we lost most of our games, we showed a great improvement and so much spirit. This season we lost 2 seniors so next year we will have our experience working for us.

1995 baseball

This year we made it to the district semifinals

Grafton began its season with four disappointing losses. It appeared that the season was going to be bleak. We then went on to win six of our next seven games and towards the end of the season were in contention for the SWCL title. At the end, a couple of games slipped away, but we still made it to districts with a 10-10 record. Into districts we upset Hudson Catholic in the first round and then Clinton in the second to make it to the semifinals where we lost a heartbreaker to Uxbridge. The Cinderella season had ended, but we did better than most people had expected. Thanks to Mr. Coleman and Mr. Nelson for their time, effort, and great coaching. This was Mr. Nelson's last year, his humor and dedication will be missed.
